

Statewide Access to Databases

Arizona State Library, Archives and Public Records, Pima Public Library and Maricopa County joined hands to provide databases from EBSCO and OCLC. These databases provide access to authoritative and authentic information from thousands of newspapers, journals as well as curriculum resources for students and teachers.

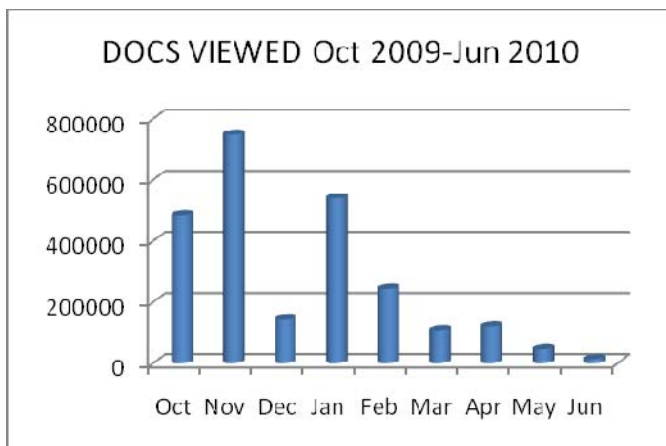

- Approx 4.7 M searches were done in the 15 counties – up by about 20% for a similar FY period for 2009
- About 2,984,186 documents downloaded - up by more than 30% for a similar FY period for 2009
